**TOPIC:** Bidders' Conferences for Grant Application Postponed.

The Rebuild America Initiative leaders announce postponement of the April 12 & 13 Bidders' Conferences for the 'Expanding Capacity Opportunities for Nonprofits' grants. US Dept of Health & Human Services expects final approval of the application, next week.

New dates will be emailed, announced in the Tyler Telegraph and Cherokeean Herald papers, and posted at [www.etvv.org](http://www.etvv.org). The application will be linked to the website also. Applicants will be given an additional week to submit an application, due to this delay.

## Community Priorities Announced Week of April 12:

The North Tyler and Greater Alto Area Rebuild America top priorities will be announced next week, following the series of "Priority Setting Meetings" in North Tyler and Alto. Faith and community-based agencies, addressing these priorities, are invited to bidders conferences, TBA, to learn how to apply for subgrants totaling \$460,000. Watch for details. Additional information is at 903-541-0013 or [www.etvv.org](http://www.etvv.org).
